Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Claims 1-8 are allowed because the prior art of record does not teach or suggest a semiconductor integrated circuit device with a combinations of elements as recited in the claims; the device, among other things, having: a second memory controller that is provided outside the hard macro and controls the input/output from and to the external memory; an IO pad unit provided outside the hard macro as an electrical interface to the outside; a first wiring that connects the first memory controller and the IO pad unit; and a second wiring that connects the second memory controller and the IO pad unit and has a length shorter than the length of the first wiring.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul Dinh whose telephone number is 571-272-1890.
